

**No commercial uprights
filter better.**

Improve the indoor air quality while vacuuming with the versatile Sanitaire models SC5713, SC5815 and SC5845 containing sealed HEPA filtration systems. No commercial uprights filter better, utilizing a washable HEPA filter that captures 99.97% of dust and allergen particles 0.3 microns in size. The oversized diameter hose resists clogging and stretches to 10 feet. Additional features include onboard cleaning accessories, a chrome steel handle, a quiet commercial grade motor and a headlight. Models SC5713 and SC5815 feature a bag safety lid to prevent operation without a dust bag in place. Model SC5845 has one of the largest, most convenient dirt cups in the industry.
