

## FLOOR MACHINES

*Chrome plated steel construction*

*Exclusive quick-connect handle for UPS shipping*

*Built-in safety shut off*

*Twin or triple idler planetary gear drive*

*50 ft. power cord*

*Heavy-duty wrap around bumper*

*UL listed for commercial use*

Sanitaire® floor machines are UL listed and built to last with chrome plated steel housings. Twin capacitor and two-speed motors provide the extra torque to confidently use on carpet or bare floors. The exclusive quick-connect handle reduces the package size by 40% allowing for convenient UPS shipping. This provides savings in shipping and inventory cost. Additional features include a twin or triple idler planetary gear box, 50 ft. power cord, the option of two speeds and a safety shut off switch.
