

They're built tough and offer the ultimate in durability and performance.

Sanitaire's commercial models SC883, SC882, SC881 are designed to reduce operating cost and eliminate downtime. They're built tough to withstand the often continuous and abusive use of the building service contractor. These units have all the features of our Quick Kleen series plus several enhanced features, including a removable full coverage furniture guard, heavy-duty rear wheels, thumb actuated on/off switch, quick disconnect cord, and an impact resistant impeller fan. Combined, these features offer the ultimate in durability and performance.
