THE ULTIMATE TIME MACHINE™

PUT TIME TO WORK
IN OFFICE

A CLEAN OFFICE IS KEY TO PRODUCTIVITY AND PROFITABILITY.*

A recent study found that 94% of workers reported feeling more productive in a clean workspace, while 77% said they felt they produced a higher quality of work in a cleaner environment.** A tidy workplace also creates a professional atmosphere. Our high-performance machines come with a built-in bonus:

They help teams clean efficiently and effectively.

PRODUCTIVITY

Your team can efficiently clean every surface, crevice and corner with reliable machines that are easy to deploy, easy to use and quick to maintain for less downtime.

COST OF OWNERSHIP

Keep your business running with tough, durable machines engineered to take on wear and tear. Innovative features and minimal maintenance costs save money over time.

PERFORMANCE

Deliver an exceptional cleaning experience — every time, with industry-approved machines that are CRI certified and meet all LEED requirements.

COMFORT

Keep your crew going with features like lighter weight in hand, portability, maneuverability and cushioned harnesses.

SOUND

Keep disturbances at a minimum with premium QuietClean® machines, for 24/7 anytime cleaning at 70 decibels or less.

**THIS IS MAXIMUM OUTPUT.
